ALCOHOL

General Public

6440 **Fine Lines**

This publication is targeted to white-collar women 18 to 24, among whom there has been a significant increase in alcohol use. Large companies will be asked to distribute copies to their employees working in the sales and clerical field. (1986)

Également disponible en français sous le titre "Impressions" -- 6441.

4784 **Let's Talk About ... Alcohol/Propos sur l'alcool**

This pamphlet points out the dangers of overdrinking and gives tips on how to take control of your drinking habits. (1983)

6438 **Student Life**

This booklet is targeted to the students on college and university campuses where the prevailing culture reinforces overdrinking. The publication will be distributed through a campus distribution service which reaches English-speaking students and through bookstores on campus which reaches French-speaking university and CEGEP students. (1986)

Également disponible en français sous le titre "Options" -- 6439.

Professionals

4971 **Alcohol in Canada: A National Perspective**

This report covers three major aspects of alcohol: consumption, problems, and treatment programs. It also contains an analysis of alcohol policy development in Canada. (1984)

Également disponible en français sous le titre "L'alcool au Canada: Une perspective nationale" -- 4972.

4970 **Alcohol, Drugs and Canadian Youth**

This is a joint publication of Health and Welfare Canada, the Addiction Research Foundation of Ontario and the Canadian Addictions Foundation. It covers the proceedings of a Symposium concerned with information on the use and abuse of alcohol and other drugs by young people. (1985)

Également disponible en français sous le titre "L'alcool, les drogues et les jeunes canadiens".

CANCER

Professionals

5603 **Cervical Cancer Screening Programs - The Walton Report**

This report consists of guidelines for cervical cancer screening programs and recommendations for management. (1976)

Également disponible en français sous le titre "Le dépistage du cancer du col utérin - le rapport Walton" -- 5604.

5629 **Cervical Cancer Screening Programs 1982**

This report is a guide to others in planning, setting policy on, and administering clinical and laboratory activities in cervical cancer screening programs in Canada.

Également disponible en français sous le titre "Le dépistage du cancer du col utérin, 1982" -- 5630.

CARDIOVASCULAR HEALTH

General Public

4701 **Let's Talk About ... Blood Pressure/Propos sur la tension artérielle**

This pamphlet discusses the causes of high blood pressure, its dangers and what can be done to protect oneself against high blood pressure. (1984)

Professionals

5120 **The Prevention and Control of High Blood Pressure in Canada**

A report meant to stimulate a nation-wide effort to prevent and control high blood pressure in Canada. It outlines the findings, the magnitude of the problem and views about the components of a successful control program (1986)

Également disponible en français sous le titre "Prévention et contrôle de l'hypertension artérielle au Canada" -- 5121.

CHILDREN AND YOUTH

General Public

6486 **Approaching Adolescence (Female version)**

Published by Alberta Social Services and Community Health Department. Designed primarily for girls (8-12), it deals with the many questions concerning adolescent development. (1980)

Également disponible en français sous le titre "A l'approche de l'adolescence" -- 6494.

6419 **Approaching Adolescence (Male version)**

Published by Alberta Social Services and Community Health Department. Designed primarily for boys (8-12), it deals with the many questions concerning adolescent development. (1980)

Également disponible en français sous le titre "A l'approche de l'adolescence" -- 6495.

5912 **Helping Children Cope with Family Breakup**

Booklet offering advice to parents, teachers and others on how to help children cope with family breakup. (1983)

Également disponible en français sous le titre "Comment aider les enfants à affronter la séparation" -- 5913.

Professionals

5175 **The Child of the Broken Family**

A report on the proceedings of a national symposium on services for children affected by separation and divorce. (1984)

Également disponible en français sous le titre "L'enfant issu d'un foyer désuni" -- 5176.

Priced Publications

Up the Years from One to Six

Follow-up to "The Canadian Mother and Child". Written for parents and those concerned with the promotion of good health for children. (1971)

Please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Cost: $3.00

Également disponible en français sous le titre "La croissance d'un à six ans".

COMMUNITY HEALTH SERVICES

Professionals

5114 **Community Health Centres of Canada - Inventory/Centres de santé communautaires du Canada - répertoire**

The purpose of the Inventory of Community Health Centres is to foster communication between existing Centres and provide information on the range of programs offered to health professionals and organizations across Canada and internationally. (1985)

Helping Ourselves: Organizing a Peer Support Centre

This manual lists the various steps in the development of a Peer Support Centre and each chapter contains information on process, pitfalls, time periods, and other aspects of that chapter's specific step. (1985)

Également disponible en français sous le titre "S'aider soi-même: L'organisation d'un centre d'entraide pour étudiants".

DENTAL PROGRAMS AND SERVICES

General Public

Dental Care Programs in Canada (Promotional Flyer)

This is a promotional flyer which includes an order form for the purchase of the Dental Care Programs in Canada publication from Supply and Services Canada.

Également disponible en français sous le titre "Les régimes d'assurance dentaire au Canada".

5951 **Dental Health - A Teacher's Guide K-12 (Promotional Flyer)**

This is a promotional flyer which includes an order form for the purchase of the Teacher's Guide from Supply and Services Canada.

Également disponible en français sous le titre "La santé dentaire - Guide pédagogique de la maternelle à la fin du secondaire" -- 5952.

5609 **Hints for Healthy Teeth/Conseil pratiques pour de belles dents**

This pamphlet is directed to parents and children. It gives a number of good tips on how to achieve good dental health. (1979)

Professionals

5634 **The Effect of Customs Tariffs on the Cost of Providing Dental Care in Canada**

This is the report of a contracted study on the effect of customs tariffs on Canadian dental care costs and on the sources of increasing costs of providing care. The influence of tariffs on national and international economic consideration was also studied. To accomplish these goals private dental practice (Provincial Dental Associations and Practicing Dentist), public, direct service dental programs, and the dental trade industry were surveyed. (1981)

Également disponible en français sous le titre "L'effet des tarifs douaniers sur le coût des services dentaires au Canada" -- 5635.

5612 **Oral Radiological Services**

This is a report prepared by the working group on oral radiological services which includes guidelines and recommendations (1979).

Également disponible en français sous le titre "Services de radiologie bucco-dentaire" -- 5613.

5142 **The Practice of Dental Hygiene in Canada - Descriptions, Guidelines and Recommendations - Executive Summary and Recommendations - Report of the Working Group on the Practice of Dental Hygiene - Part I/L'exercice de l'hygiène dentaire au Canada - Historique, orientations et recommendations - Rapport du groupe de travail sur l'exercice de l'hygiène dentaire - Tome I**

The objectives of the Report of the Working Group on the Practice of Dental Hygiene, Part One are: to provide a basic description of the practice of dental hygiene in Canada, to identify major studies and references in this field, to describe major issues of current concern and to suggest principles for consideration in the future study of these issues, to identify other areas for further research and study, and to make recommendations. (1986)

5614 **Preventive Dental Services - Practices, Guidelines and Recommendations**

This 327 page report of the Working Group on Preventive Dental Services includes guidelines and recommendations. (1979)

Également disponible en français sous le titre "La dentisterie préventive - pratique, règles et recommandations" -- 5615.

5155 **Proceedings of the Conference on Dental Hygiene Research**

The report consists of the proceedings of the first-ever dental hygiene research conference. It contains the keynote address and other papers presented by a number of international dental and dental hygiene researchers, as well as the Director General of the National Health Research and Development Program, Health and Welfare Canada. The topics include the role of dental hygienists in research, educational preparation for research, research priorities in dental hygiene, health research funding, the types of research teams needed and how to plan and submit a research proposal. (1984)

Également disponible en français sous le titre "Délibérations de la conférence sur la recherche en hygiène dentaire" -- 5156.

A Review of Dental Research in Canada/Étude sur la recherche dentaire au Canada

This is a report of a working group jointly established in 1984 by the Medical Research Council and the Department of Health and Welfare. The report reviews the status of dental research in Canada and makes recommendations to Health and Welfare Canada, the Medical Research Council and the faculties of dentistry concerning priorities, funding and organizational arrangements to sustain a variable program of dental research in Canada. (1986)

Please direct your request to:

Publications Unit
Medical Research Council of Canada
20th floor, Jeanne Mance Building
Tunney's Pasture
OTTAWA, Ontario
K1A 0W9

Priced Publications

Dental Care Programs in Canada

This report is based on a contracted study of both public and private dental care programs in Canada. It is the first-ever comprehensive study of group dental plans in the private sector as well as federal, provincial and territorial government programs for dental care. For more information obtain the free flyer listed under general public. (1986)

Please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Cost: $ 9.95 in Canada
$11.95 in other countries

Également disponible en français sous le titre "Les régimes d'assurance dentaire au Canada".

Dental Health: A Teacher's Guide, K-12

This publication will serve not only as a source of information for Canadian teachers but also as a lesson plan guide for dental health instruction from the kindergarden level through the high school level. For more information obtain the free flyer listed under general public. (1981)

Please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Cost: $4.95 in Canada
$5.95 in other countries

Également disponible en français sous le titre "La santé dentaire: Guide pédagogique de la maternelle à la fin du secondaire".

DESIGN OF HEALTH FACILITIES

Professionals

Guidelines for a Signage System in Health Facilities

This document was produced in response to a need expressed by members of the Sub-Committee on Health Facilities Planning and Construction of the Federal/Provincial Advisory Committee on Institutional and Medical Services. (1984)

Également disponible en français sous le titre "Lignes directrices d'un système de signalisation dans les établissements de santé".

Health Facilities Construction Cost Registry Reports (Nos 1-167)/Rapports des statistiques sur le coût de la construction des établissements de santé (Nos 1-167)

Each report on a new health facility (or on a major addition) includes a photograph or drawing of the building, a brief description of its structure and nature, its special characteristics, construction period and actual construction costs in the form of an elemental cost analysis. (1974-1986)

5053 **Interstitial Space in Health Facilities - Research Study Report**

This report focuses on capital costs of interstitial space design and on its potential economies when physical changes are made to a facility during its life cycle, and makes recommendations on the use of this design. (1980)

Également disponible en français sous le titre "Espaces intercalaires dans les établissements sanitaires - rapport d'une étude de recherche".

Light, Health and Design Conference

The various papers presented during this conference dealt not only with architectural and engineering design considerations but also with medical, psychological and social concerns relating to lighting quality lighting efficiency and future research directions. (1981)

Également disponible en français sous le titre "Conférence éclairage, santé et design" -- 5151.

5104 **Proceedings - National Symposium on Lighting Design for Hospitals**

The purpose of this document is to examine some of the critical elements in the design of lighting systems in hospitals and to replace and evaluate basic principles and new concepts for resolving problems. (1983)

Également disponible en français sous le titre "Compte rendu - Symposium national design d'éclairage dans les hôpitaux".

Profile Analysis of Electrical Energy Loads for Hospitals

This document is a research study report. It explores the variation in electrical loads over time, of a small group of hospitals and establishes electrical design criteria evaluating the effeciency with which electrical energy is managed. This study also identifies the areas of energy conservation and suggests the measures for potential savings in operational costs. (1987)

Également disponible en français sous le titre "Analyse des charges d'énergie électrique dans les hôpitaux".

User Guide to CSA Standard - Use of Electricity in Patient Care Areas

This report is a user guide and clarification of terminology in CSA standards. The topics covered are the classification of patient care areas, isolated power systems, grounding, electrical installation, testing and other similar concerns. (1987)

Sera bientôt disponible en français sous le titre "Guide de l'usager pour la norme ACNOR - Usage de l'électricité dans les aires de soins des patients".

DIABETES

Professionals

5130 **Status of Diabetes in Canada**

This document addresses five specific themes: epidemiology, complications, treatment, education and research in diabetes. The chapters on each of the specific themes discuss relevant problems and make recommendations. They also contain manuscripts of presentations made at a 1985 Canadian Symposium on Diabetes. (1985)

Également disponible en français sous le titre "Situation du diabète au Canada" -- 5131.

5012 **Status of Diabetes in Canada - Priorities and Recommendations/Situation du diabète au Canada - Priorités et recommendations**

This is the final report of the National Diabetes Task Force. It discusses the epidemiology, education and treatment, and research needs in respect of diabetes. It makes recommendations for improvements along with estimates of the cost of these improvements. (1987)

5007 **Status of Diabetes in Canada - Summary and Recommendations/Situations du diabète au Canada - Résumé et recommendations**

This is a summary of the proceedings and recommendations emanating from the National Symposium on Diabetes held in 1985. It emcompasses the following five themes: epidemiology, complications, treatment, education and research in diabetes. (1987)

DRUGS

General Public

4782 **Let's Talk About ... Drugs/Propos sur les drogues**

A pamphlet on the dangers of misusing prescription and over-the-counter drugs. It covers tranquillizers, sleeping pills, and the dangers of combining drugs. (1983)

4316 **Stay Real**

This 24-page booklet, directed at both parents and adolescents describes the health and social risk associated with cannabis use, and is designed to stimulate dialogue between parents and teens on this issue. (1983)

Également disponible en français sous le titre "Vive moi-même" -- 4317.

4328 **Stay Real (Poster)**

Également disponible en français sous le titre "Vive moi-même" (affiche) -- 4330.

Professionals

4320 **Straight Facts About Drugs and Drug Abuse**

This general publication on drugs describes the different types of drug abuse, why people abuse drugs, and who uses drugs. (1983)

Également disponible en français sous le titre "Les drogues : faits et méfaits" - 4321.

Priced Publications

Addictions Counselling Training

A training package developed by the National Training System (NTS) to enable addictions counsellors to: (a) achieve a consistent and comprehensive form of introductory level training; (b) be motivated to continue their training; and (c) establish a clear, practical foundation of knowledge, attitudes and continued learning tools. (1987)

For cost; contact:

Marketing Services
Addiction Research Foundation
33 Russell Street
TORONTO, Ontario
M5S 2S1

Également disponible en français sous le titre "Guide de formation des conseillers en toxicomanie".

4348 **Parent Education: A Review and Analysis of Drug Abuse Prevention and General Programs**

A resource for professional parent educators, particularly those within the addiction field. Focus is programs of prevention rather than crisis intervention. (1984)

Please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Cost: $ 9.50 in Canada
$11.40 in other countries

Également disponible en français sous le titre "L'éducation des parents : une revue et une analyse de programmes de prévention de l'usage des drogues et de programmes généraux" -- 4349.

Prevention Training in the Drug Field

A training package to enhance the competence level of community workers involved in drug prevention activities within the participating jurisdictions, using NTS-developed training resources. (1986)

Please send your requests to:

Marketing Services
Addiction Research Foundation
33 Russell Street
TORONTO, Ontario
M5S 2S1

Cost of complete package: $95.00 (i.e. Instructor's Manual and 3 monographs)

For price of individual components in the package, contact Marketing Services.

Également disponible en français sous le titre "Formation en prévention dans le domaine des drogues".

ELDERLY

General Public

4700 **Let's Talk About ... Falls and the Elderly/Propos sur les chutes et les personnes âgées**

This pamphlet describes various ways in which elderly people can eliminate potential hazards in the home and reduce the risk of falling. (1984)

4364 **Mental Health in the Later Years**

The booklet, "Mental Health in the Later Years", takes a comprehensive look at healthy aging. It deals with health-related activities that contribute to mental well-being in the later years and will be of interest to people 55 years and older. (1986)

Également disponible en français sous le titre "Santé mentale au troisième âge -- 4367

Professionals

5098 **Bibliography - Care for the Elderly**

This publication contains a list of approximately 2 500 articles relating to the care of the elderly. The articles listed were printed prior to 1981. (1981)

5163 **Mental Health Care of the Elderly**

Proceedings of a colloquium on issues in service, assessment and education. (1985)

Également disponible en français sous le titre "Les soins de santé mentale pour les personnes âgées" -- 5164.

FITNESS

Professionals

5015 **Employee Physical Fitness Facilities - Third Edition**

A guide to owners and architects in the development and review of plans for the constructions or renovation of facilities for amateur sport and physical fitness programs. This latest edition includes a "Cost" section which provides cost information on converting existing space into recommended employee physical fitness facilities. (1984)

Également disponible en français sous le titre "Installations de conditionnement physique des employés - troisième édition" -- 5016

5607 **Guidelines for Fitness Centres and Health Clubs/Directives pour les centres de conditionnement physique et les clubs de santé**

This report constitutes a part of the information base from which policies may be developed. (1978)

HEALTH EDUCATION IN SCHOOLS

General Public

4625 **At Home and at School, Let's Help the Next Generation to be Smoke-Free (Parent Information Brochure)**

This brochure describes how parents, the school and the community can help children resist pressure to smoke. (1986)

Available from Canadian Home and School federations.

Également disponible en français sous le titre "A la maison et à l'école, aidons la prochaine génération à en être une de non fumeurs" -- 4627.

4791 **Talking Through The Hole in the Fence - A Family Guide**

"Talking Through The Hole in the Fence" is a family guide to the storybook. (1983)

Également disponible en français sous le titre "Un brin de causette - Mes amis, mon jardin - Un guide pour la famille" -- 4792.

Professionals

4351 **Analyses of Canadian Health Education Print Materials: Preliminary Edition/Analyses de matériel imprimé en éducation sanitaire au Canada : édition préliminaire**

A resource to provide health educators with profiles of teaching/learning print materials which have been analyzed for their educational quality. (1985)

4396 **Supplement to Analyses of Canadian Health Education Print Materials: Preliminary Edition 1987/Supplément aux analyses de matériel imprimé en éducation sanitaire au Canada : édition préliminaire (1987)**

4350 **Directory of Senior Professionals Promoting the Health Education of Children and Youth in Canada/Répertoire des professionnels de premier plan travaillant à la promotion de l'éducation sanitaire auprès des enfants et des jeunes au Canada**

A biennial resource to serve as a vehicle to promote the communications and exchange of information within this health network of professionals. (1985)

4619 **The PAL "Peer-Assisted Learning" Smoking Prevention Program/PEP - Un programme de prévention de l'usage du tabac (Brochure)**

This brochure describes the PAL program. Available in bulk quantities for promotional purposes. (1986)

4621 **The PAL "Peer-Assisted Learning" Smoking Prevention Program (Kit)**

A school-based program to provide 11 to 13 year olds with the motivation and skills to resist peer pressure to smoke. Copies available only on a limited basis to health educators providing information sessions to teachers. This will be a priced publication in 1988. (1986)

Également disponible en français sous le titre "PEP Un programme de prévention de l'usage du tabac" -- 4624.

6414 **Preliminary Directory of Professionals Promoting Parent Education in Canada 1984-85/Répertoire préliminaire des professionnels travaillant à la promotion de l'éducation des parents au Canada 1984-85**

A resource to promote sharing and exchange of information and expertise among professionals who actively promote parent education, or its study and evaluation, as a function of their professional work.

4356 **Summary Report: Canada Health Attitudes and Behaviours Survey 9, 12 and 15 year olds**

This publication, conducted by the Social Program Evaluation Group of Queen's University, was designed to determine the health-related attitudes and behaviours of young Canadians. It complements an earlier study, the Canada Health Knowledge Survey: 9, 12 and 15 year-olds - 1982-83. (1985)

Également disponible en français sous le titre "Résumé sur les attitudes et comportements des Canadiens en matière de santé 9, 12 et 15 ans" -- 4344.

Summary Report Canada Health - Knowledge Survey: 9, 12 and 15 year olds

This report summarizes the results of a national survey of the health knowledge of Canadian children about basic health concepts. It was conducted by the Social Program Evaluation Group of Queen's University. (1983)

Également disponible en français sous le titre "Résumé - Étude sur les connaissances en santé et sécurité au Canada : élèves âgés de 9, 12 et 15 ans".

Priced Publications

HEALTH INSURANCE

Professionals

Canada Health Act Annual Report 1984-85, 1985-86/Loi canadienne sur la santé - Rapport annuel 1984-85, 1985-86

A yearly report on the administration and operation of the Canada Health Act.

Medical Care Annual Report 1981-82, 82-83, 83-84/Rapport annuel - soins médicaux 1981-82, 82-83, 83-84

Report respecting operations of the Medical Care Act for the fiscal years ending March 31.

HEALTH PROMOTION STRATEGY

Professionals

4630 **Achieving Health For All: A Framework for Health Promotion**

This document presents an approach for dealing with major emerging health challenges. It is an integration of ideas from public health, health education and public policy. It represents an expansion of the health promotion - an approach that complements and strengthens the existing system of health care. (1986)

Également disponible en français sous le titre "La santé pour tous : plan d'ensemble pour la promotion de la santé" -- 4631.

4639 **The Active Health report**

The first report on Canada's Health Promotion Survey. It summarizes the survey's findings and reflects upon the challenges and opportunities they imply. (1987)

Également disponible en français sous le titre "Rapport action santé" -- 4640.

Health Promotion (magazine)

Health Promotion is a quarterly journal available free of charge to professionals and others actively working in the field of health promotion in Canada. Each edition contains features on health promotion and covers current activities and resources in the field.

Également disponible en français sous le titre "Promotion de la santé".

5019 **Health Promotion Through Designed Environment - Conference**

This report on the proceedings of the Conference is the beginning of a major exploration on how we can improve the quality of the designed environment and thereby further improve the health of Canadians, and conserve our resources. (1976)

Également disponible en français sous le titre "Promotion de la santé par un environnement planifié - conférence" -- 5020.

HEALTH SERVICES PLANNING

Professionals

5008 **A Taxonomy of the Canadian Health Care System**

The purpose of this document is to present a taxonomy of the Canadian health care system to assist the federal government, provincial governments, health care institutions, and other organizations in organizing, planning and evaluating the health care system. (1979)

Également disponible en français sous le titre "Taxonomie du système de distribution de soins au Canada" -- 5009.

HOME CARE

Professionals

5224 **Profiles on Home Care - Home Support Programs/Profils des programmes de soins à domicile et de services d'aide familiale**

A listing of contact persons for each relevant provincial program and a compendium of legislation policies, standards and guidelines used by the provinces and territories. (1985)

HOSPITAL PRODUCTIVITY IMPROVEMENT

Professionals

Canadian Workload Measurement System - Diagnostic Radiology (Available from Statistics Canada)

5189 **Canadian Workload Measurement System Emergency Department** (1986)

Également disponible en français sous le titre "Service d'urgence - Système canadien de mesure de la charge de travail" -- 5664.

5655 **Canadian Workload Measurement System - Health Records Department** (1986)

Sera bientôt disponible en français sous le titre "Système canadien de la charge de mesure de travail - Archives cliniques" -- 5656.

5657 **Canadian Workload Measurement System - Materiel Management: Part I. Central Supply Department** (1986)

Sera bientôt disponible en français sous le titre "Système canadien de mesure de la charge de travail gestion du matériel : Partie I. Central de distribution des fournitures médicales"-- 5658.

5653 **Canadian Workload Measurement System - Obstetrical Suite** (1986)

Également disponible en français sous le titre "Système canadien de mesure de la charge de travail - Service d'obstétrique" -- 5654.

5659 **Canadian Workload Measurement System - Occupational Therapy** (1986)

Également disponible en français sous le titre "Système canadien de mesure de la charge de travail pour les traitements d'ergothérapie"-- 5660.

5173 **Canadian Workload Measurement System - Operating Room and Staffing Methodology** (1985)

Également disponible en français sous le titre "Système canadien de mesure de la charge de travail - Bloc opératoire et méthodologie de la dotation" -- 5174.

5108 **Canadian Workload Measurement System Pharmacy** (1985)

Également disponible en français sous le titre "Système canadien de mesure de la charge de travail pour les pharmacies d'hôpital" -- 5109.

5649 **Canadian Workload Measurement System - Physical Plant** (1986)

Sera bientôt disponible en français sous le titre "Système canadien de mesure de la charge de travail - Installations matérielles" -- 5650.

5118 **Canadian Workload Measurement System - Physiotherapy** (1985)

Également disponible en français sous le titre "Système de mesure de la charge de travail en physiothérapie"-- 5119.

5651 **Canadian Workload Measurement System - Recovery Room** (1986)

Sera bientôt disponible en français sous le titre "Système canadien de mesure de la charge de travail - Salle de réveil"-- 5652.

Canadian Workload Measurement System - Respiratory Technology/Pulmonary Function (Available from Statistics Canada)

5116 **Canadian Workload Measurement System - Social Work** (1985)

Également disponible en français sous le titre "Système canadien de mesure de la charge de travail en service social" -- 5117.

5179 **Canadian Workload Measurement System - Speech/Language pathology and Audiology** (1986)

Également disponible en français sous le titre - "Système canadien de mesure de la charge de travail" - Orthophonie et audiologie" -- 5180.

HUMAN COMMUNICATION DISORDERS

Professionals

5610 **Childhood Hearing Impairment**

This report is part of the information base from which policies may be developed. It is hoped that the report will be a valuable guide to others involved in planning, setting policies on and administering programs on prevention, identification, diagnosis, and management of childhood hearing impairment. (1984)

Également disponible en français sous le titre "La déficience auditive chez l'enfant" -- 5611.

5102 **Guidelines for the Certification of Audiologists and Speech-Language Pathologists in Canada**

A review of certification criteria and models is presented in this report, along with recommended national certification guidelines for clinical competency. (1985)

Également disponible en français sous le titre "Lignes directrices pour la reconnaissance professionnelle des audiologistes et des orthophonistes au Canada" -- 5103.

5627 **Guidelines for the Practice of Language-Speech Pathology and Audiology**

A guide in planning, setting policy on, and administering clinical activities in language-speech pathology and audiology. (1982)

Également disponible en français sous le titre "Lignes directrices pour la pratique de l'orthophonie et de l'audiologie" -- 5628.

5112 **Information Kit on Childhood Hearing Impairment**

An information kit to alert primary care physicians to factors important in early identification and management of hearing loss. (1985)

Également disponible en français sous le titre "Fascicule d'information sur la déficience auditive chez l'enfant" -- 5113.

HUMAN RESOURCES FOR HEALTH CARE

Professionals

HEALTH HUMAN RESOURCES REPORT SERIES

Active civilian physicians, by type of physician, Canada, by province, December 31, 1985 (1985)

INFECTION CONTROL

Professionals

The primary objectives in developing clinical guidelines at the national level is to assist health care professionals in improving the quality of patient care.

5117 **Infection Control Guidelines I-V**

These are the first in a series that will be developed by a working group.

I Prevention of intravascular infections

II Prevention of surgical wound infections

III Prevention of nosocomial pneumonia

IV Prevention of urinary tract infections

V Hospital environmental control (revised 1986)

Également disponible en français sous le titre "Guide de prévention des infections I-V" -- 5158.

5643 **Infection Control Guidelines - Isolation and Precaution Techniques** (1985)

Également disponible en français sous le titre "Guide de prévention des infections pour techniques d'isolement et précautions" -- 5644.

5143 **Infection Control Guidelines - Long Term Care Facilities** (1986)

Également disponible en français sous le titre "Guide de prévention des infections pour les établissements de soins prolongés" -- 5150.

5645 **Infection Control Guidelines - Occupational Health in Health Care Facilities** (1986)

Également disponbile en français sous le titre "Guide de prévention des infections à l'intention du personnel travaillant dans les établissements de santé" -- 5646.

5641 **Infection Control Guidelines - Organization of Hospital Infection Control Programs** (1985)

Également disponible en français sous le titre "Guide pour l'organisation d'un programme hospitalier de prévention des infections" -- 5642.

5918 **Intravenous Therapy Guidelines** (revised 1985)

Également disponible en français sous le titre "Intraveino-thérapie guide" -- 5919

INSTITUTIONAL PROGRAM GUIDELINES

The following guidelines were produced under the direction of the Federal/Provincial Subcommittee on Institutional Program Guidelines. Based on information, knowledge, research and expert opinion, the guidelines provide a comprehensive definition of requirements for specific services in health care institutions.

Professionals

5953 **Addiction Services in Hospitals** (1984)

Également disponible en français sous le titre "Services de toxicomanie dans les hôpitaux" -- 5954.

5924 **Adult Long Term Institutional Care** (1984)

Également disponible en français sous le titre "Établissements de soins prolongés pour adultes" -- 5925.

5900 **Adult Psychiatric Services Provided by General Hospitals** (1979)

This publication is being revised.

Également disponible en français sous le titre "Soins psychiatriques aux adultes dispensés par les hôpitaux généraux" -- 5901.

5941 **Breast Imaging Services: Mammography** (1986)

Également disponible en français sous le titre "Imagerie du sein : mammographie"

5902 **Burn Unit** (revised 1985)

Également disponible en français sous le titre "Unité de soins aux brûlés" -- 5903.

5904 **Cardiovascular Services in Hospitals** (revised 1986)

Également disponible en français sous le titre "Services cardio-vasculaires dans les hôpitaux" -- 5905.

5906 **Child and Adolescent Psychiatric Services Provided by General Hospitals** (1979)

Également disponible en français sous le titre "Soins psychiatriques pour enfants et adolescents dispensés par les hôpitaux généraux" -- 5907.

5965 **Child and Adolescent Services in General Hospitals** (1982)

Également disponible en français sous le titre "Soins pour enfants et adolescents dans les hôpitaux généraux" -- 5966.

5122 **Child and Youth Long Term Services** (1985)

Également disponible en français sous le titre "Services de soins prolongés pour enfants et adolescents" -- 5123.

5946 **Computed Tomography Unit** (revised 1986)

Également disponible en français sous le titre "Unité de tomodensitométrie" -- 5947.

5908 **Day Surgery Unit** (revised 1982)

Également disponible en français sous le titre "Unité de chirurgie de jour" -- 5909.

Dental Care Units in Hospitals (1978)

This publication is being revised.

Également disponible en français sous le titre "Unité de soins dentaires en milieu hospitalier" -- 5911.

5914 **Diabetic Day Care Unit** (1978)

Également disponible en français sous le titre "Unité de soins de jour pour diabétiques dans les hôpitaux" -- 5915.

5968 **Diagnostic Imaging Services and Systems: An Overview** (revised 1986)

Également disponible en français sous le titre "Services et systèmes de visualisation diagnostique : vue d'ensemble" -- 5976.

5942 **Diagnostic Ultrasound Facilities in Hospitals** (revised 1985)

Également disponible en français sous le titre "Unité d'écho-diagnostique dans les hôpitaux" -- 5943.

5963 **Emergency Units in Hospitals** (1981)

Également disponible en français sous le titre "Unité d'urgence dans les hôpitaux" -- 5964.

5207 **End Stage Renal Disease Program** (revised 1986)

Également disponible en français sous le titre "Programme de traitement des néphrophaties au stade terminal" -- 5208.

5920 **Geriatric Units in Hospitals-Geriatric Day Hospital** (1979)

This publication is being revised.

Également disponible en français sous le titre "Unité de gériatrie dans les hôpitaux - Hôpitaux de jour pour personnes âgées" -- 5921.

5944 **Hospital Day Medicine Unit** (1984)

Également disponible en français sous le titre "Unité de médecine de jour dans l'hôpital" -- 5945.

5922 **Intensive Care Services** (revised 1986)

Également disponible en français sous le titre "Services de soins intensifs" -- 5923.

5910 **Magnetic Resonance Imaging** (1986)

Également disponible en français sous le titre "Imagerie par résonnance magnétique" -- 5940.

5926 **Nuclear Medecine Units in Hospital** (revised 1985)

Également disponible en français sous le titre "Unité de médecine nucléaire" -- 5927.

5005 **Organ and Tissue Donation Services in Hospitals** (1986)

Sera bientôt disponible en français sous le titre "Services hospitaliers de dons d'organes et de tissus" -- 5006.

5932 **Palliative Care Services in Hospitals** (1981)

Également disponible en français sous le titre "Services de soins palliatifs dans les hôpitaux" -- 5933.

5928 **Patient Hostel Unit** (1978)

Également disponible en français sous le titre "Hôtellerie pour malades" -- 5929.

5930 **Perinatal Intensive Care Units in a Perinatal Care Network** (revised 1986)

Également disponible en français sous le titre "Guide pour l'établissement de normes régissant les unités de soins intensifs périnatals dans un réseau de soins périnatals" -- 5931.

5124 **Pre-hospital Emergency Care Services** (1985)

Également disponible en français sous le titre "Services d'urgence préhospitaliers" -- 5125.

5969 **Pulmonary Function Laboratories** (1982)

Également disponible en français sous le titre "Guide régissant l'établissement d'un laboratoire d'exploration fonctionnelle respiratoire" -- 5992.

5934 **Rehabilitation Medicine Program** (revised 1986)

Également disponible en français sous le titre "Programme de médecine physique et de réadaptation" -- 5935.

5600 **Respiratory Therapy Service** (revised 1987)

Également disponible en français sous le titre "Service d'inhalothérapie" -- 5601.

5939 **The Reuse of Disposables: An Information Report** (1985)

Également disponible en français sous le titre "La réutilisation des articles jetables : Document de travail" -- 5948.

5938 **Spinal Cord Injury Program** (revised 1986)

Également disponible en français sous le titre "Programme de traitement des lésions de la moelle épinière" -- 5972.

5960 **Stroke Program** (revised 1986)

Également disponible en français sous le titre "Programme de traitement des accidents cérébro-vasculaires" -- 5961.

5955 **Vital Organ Transplant Centres** (1987)

Également disponible en français sous le titre "Centres de transplantation d'organes vitaux".

MATERNITY AND NEWBORN CARE

General Public

4614 **Breast-Feeding**

A convenient pocket-size pamphlet for new mothers, produced in conjunction with the La Leche League of Canada and the Canadian Paediatric Society. It provides practical advice on the most common concerns of nursing mothers. (1981)

Également disponible en français sous le titre "L'allaitement maternelle" -- 4622.

4383 **Breast-feeding (Kit)**

This kit was designed to influence policies and practices and assist hospital staff to become more supportive of breast-feeding. (1986)

Également disponible en français sous le titre "L'allaitement maternel (trousse) -- 4384".

4713 **Breast-Feeding: A Selected Bibliography and Resource Guide**

The resource list and bibliography provide a concise summary that will assits both the professional and lay person in motivating, encouraging and maintaining breast-feeding in the community. (1984)

Également disponible en français sous le titre "L'allaitement maternel: Bibliographie choisie et liste de ressources -- 4714".

6400 **Can I Take This If I'm Pregnant?**

This pamphlet, produced by the Addiction Research Foundation, provides some basic information about several common types of drugs, particularly non-prescription medication and drugs which are used socially. It is intended to emphasize the need for careful decision-making in the use of any drug during pregnancy. (1984)

Également disponible en français sous le titre "Puis-je en prendre si je suis enceinte?" -- 6401.

6499 **Facts and Fancy About Birth Control, Sex Education and Family Planning**

Directed at adolescents and adults, it aims to dispel misconceptions regarding birth control, and sexuality. (1979)

Également disponible en français sous le titre "Propos sur la régulation des naissances, l'éducation sexuelle et la planification familiale" -- 6471

Professionals

5021 **Family Centred Maternity and Newborn Care: National Guidelines**

This revision of the Departmental publication entitled Recommended Standards for Maternity and Newborn Care reflects current philosophy and practice in the field of perinatal care. (1987)

Également disponible en français sous le titre "Les soins à la mère et au nouveau-né : lignes directrices nationales". -- 5022

4647 **Nutrition in Pregnancy - National Guidelines**

Nutrition in Pregnancy - National Guidelines provides advice on nutrition and related lifestyle issues for the health professional to give to the pregnant woman. Answers to questions frequently raised in prenatal counselling are given for both normal and nutritionally at risk pregnancies. The Guidelines also form the basis for development of related materials such as screening tools and educational resources. (1987)

Également disponible en français sous le titre "Nutrition durant la grossesse : lignes directrices nationales" -- 4648.

5995 **Report of the Federal Task Force on High Risk Pregnancies and Prenatal Record Systems**

A useful guide for those professionals and para-professionals involved in providing prenatal and perinatal care to expectant mothers. (1984)

Également disponible en français sous le titre "Rapport du groupe fédéral de travail sur les grossesses à risque élevé et systèmes d'enregistrement des données prénatales" -- 5996.

Priced Publications

Feeding Babies

This is a joint publication with the Canadian Pediatric Society which will assist health professionals in counselling and provide new parents with consistent and practical information on infant feeding. (1986)

Également disponible en français sous le titre "L'alimentation du bébé".

Please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Cost: $3.95

The Canadian Mother and Child

For distribution to the general public. Information on day-to-day health matters arising during pregnancy and baby's first year. The book is divided into five parts: before pregnancy, during pregnancy, labour and delivery, after pregnancy and infant care. (1979)

Please direct your request along with a cheque or money order, payable to Douglas & McIntyre to:

$3.35 in other countries

MENTAL HEALTH

General Public

5956 **Alzheimer's Disease: A Family Information Handbook**

Provides information and recommendations for those who are caring for a relative who suffers from Alzheimer's Disease. (1984)

Également disponible en français sous le titre "La maladie d'Alzheimer: renseignements à l'intention des familles" -- 5962.

Canada's Mental Health

This multidisciplinary journal is published quarterly to provide professionals and volunteers in the mental health field with information about programs, services and research related to mental health in Canada. Subscriptions available free of charge in Canada. Back issues available.

For foreign subscriptions please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Cost: $5.50 per year

Également disponible en français sous le titre "Santé mentale au Canada".

Professionals

5957 **Abstracts from Provincial Mental Health Legislation**

This document summarizes the mental health legislation of the ten provinces in such areas as admissions, appeal and review procedures, patient's rights, and payment. (1982)

Également disponible en français sous le titre "Extraits de la législation provinciale sur la santé mentale" -- 5959.

5205 **Biotechnological Advances in the Diagnosis and Treatment of Psychiatric Disorders**

This publication represents the proceedings of a symposium which reviewed the impact of advances in the biological sciences on diagnosis and treatment, which assesses some of the new horizons and challenges which these advances pose for research in Canada and which considered some socio economic implications. This publication has important implications for those engaged in mental health care. (1987)

Également disponible en français sous le titre "Progrès biotechnologiques dans le diagnostic et le traitement des troubles mentaux" -- 5206.

5967 **Chronic Mental Disorders in Canada**

This report of the Mental Health Services Committee of the Canadian Mental Health Association features four components:

1. A position paper reviewing the history of the problems and the role of the Canadian Mental Health Association.

2. A needs assessment survey of professional and lay mental health workers.

3. The results of professional consultations with provincial mental health associations.

4. A summary of the proceedings of a national meeting of professionals involved in the care of the chronically mentally ill. (1982)

Également disponible en français sous le titre "Les troubles mentaux chroniques au Canada"-- 5975.

5128 **Follow-up Study of Schizophrenic Patients in Four Canadian Provincial Locations**

The essential design of this study was to undertake a follow-up survey of schizophrenic patients in four different Canadian locations, obtaining information on history or care, on patient living situations, and on patient functional outcomes. (1985)

Également disponible en français sous le titre "Étude post-thérapeutique de malades schizophrènes dans quatre provinces au Canada" -- 5129.

5977 **The Mental Health Planning Board of Metropolitan Halifax - Darmouth**

This booklet describes a community-wide comprehensive approach to planning for the care and treatment of mentally ill and mentally disabled members of society and for improved mental health in the community at large. (1983)

Également disponible en français sous le titre "Le conseil de planification pour la santé mentale Halifax - Darmouth métropolitain" -- 5978.

5958 **Mental Health Services in Canada**

This document presents a descriptive overview of the broad spectrum of Canadian mental health services operated by provincial and territorial governments in Canada. (1982)

Également disponbile en français sous le titre "Services de santé mentale au Canada"-- 5971.

5146 **Mental Health Treatment Services to Abused Children**

A report based on the proceedings of a National Symposium which brought together experts on child abuse - psychoterapists, social workers, lawyers -- to share common dilemmas and particular solutions. (1985)

Également disponible en français sous le titre "Services en santé mentale pour le traitement des enfants victimes de sévices" -- 5147.

Perspectives on Mental Health Research: Highlights from a Symposium

This article summarizes the discussions and recommendations that emerged from a symposium on mental health research convened by the Mental Health Division in 1981. (1982)

Également disponible en français sous le titre "Perspectives sur la recherche en santé mentale: faits saillants d'un symposium".

5165 **Research Findings Significant to Priority Setting for Mental Health Services**

The proceedings of a national symposium sponsored by the Mental Health Division of Health and Welfare Canada and the Consultative Committee on Mental Health Research. (1985)

Également disponible en français sous le titre "Résultats de recherche ayant une incidence sur les priorités en matière de service de santé mentale" -- 5166.

5986 **Research in Mental Health/Recherche en santé mentale**

In this document, a working group on mental health research presented an overview of mental health research in Canada and discussed the review process, research needs and priorities, administrative and policy considerations and address mechanism, offering recommendations for each area. (1986)

5169 **Rural Mental Health Services in British Columbia**

This publication describes Mental Health Services in rural British Columbia, including travelling clinics, the Clinical Training Program, and various alternative care programs serving small communities and remote areas. (1985)

Également disponible en français sous le titre "Les services de santé mentale en milieu rural de la Colombie-Britannique" -- 5170.

5987 **Special Supplement to the Canadian Journal of Community Mental Health - Psycho-Social Impacts of Resource Development in Canada: Research Strategies and Applications/Revue canadienne de santé mental communautaire - Les répercussions psychosociales de la mise en valeur des richesses naturelles au Canada : stratégies de recherche et applications**

This supplement summarizes the proceedings of a multidisciplinary symposium. Mental health issues relevant to communities whose economy is based on the development of natural resources (mining, lumber, etc.) are addressed. The stresses created by sudden economic changes are discussed. (1983)

5203 **Suicide in Canada**

The Report of the Task Force examines the nature of suicide and suicide-related problems, including demographic and sociological parameters and identifies Canadian groups at great risk. It summarizes our knowledge of aetiological processes and presents information on programs of suicide prevention, intervention and postvention. The report also makes a series of recommendations for further action. (1987)

Également disponible en français sous le titre "Suicide au Canada" -- 5204.

NUTRITION INFORMATION AND DIETETIC SERVICES

General Public

4637 **Canada's Food Guide - Handbook**

Provides information to professionals interested in the area of nutrition education. (1982)

Également disponible en français sous le titre "Le manuel du guide alimentaire canadien-- 4648.

4634 **Canada's Food Guide - Tearsheet**

Tearsheet (8" X 11") promoting a well-balanced daily diet. (1982)

Également disponible en français sous le titre "Guide alimentaire canadien - feuillet" -- 4636.

4781 **Let's Talk About ... Nutrition/Propos sur la nutrition**

This pamphlet gives tips on how to eat better, at a reasonable cost. (1983)

4695 **Nutrient Value of Some Common Foods/Valeur nutritive de quelques aliments usuels** (promotional flyer) (1987)

Professionals

5618 **Dietetic Department Guidelines in Larger Health Care Facilities**

Provides information for the effective management of the Department of Dietetics in health care facilities. (revised 1985)

Également disponible en français sous le titre "Guide du service de diététique dans les grands établissements de santé" -- 561 .

5616 **Dietetic Department Guidelines in Smaller Health Care Facilities**

Provides the direction needed for the effective management of food services in smaller health care facilities. This publication is under revision and a new edition is due to be released in the Spring of 1988. (1982)

Également disponible en français sous le titre "Guide du service de diététique dans les petits établissments de santé".

OCCUPATIONAL THERAPY

Professionals

Health Surveillance of Workers - The Report of the Task Force on Health Surveillance of Workers - Department of National Health and Welfare/Surveillance de la santé des travailleurs - Rapport du groupe d'étude sur la surveillance de la santé des travailleurs - Santé et Bien-être social Canada

A special supplement to the Canadian Journal of Public Health, Vol. 77, No. 2. (1986)

5988 **Guidelines for the Client Centered Practice of Occupational Therapy**

Report of a task force on clinical guidelines for assessment and program planning. (1983)

Également disponible en français sous le titre "Lignes directrices relatives à la pratique de l'ergothérapie axée sur le client "-- 5989.

5916 **Intervention Guidelines for the Client-Centered Practice of Occupational Therapy**

These guidelines focus on intervention including fundamental elements and specific benchmarks. Guidelines are also provided for discharge, follow-up and program evaluation. A case history is presented to illustrate the application of these guidelines. (1986)

Également disponible en français sous le titre "Lignes directrices régissant l'intervention en ergothérapie, axée sur le client" -- 5917.

ORGAN DONATION AND TRANSPLANTATION

General Public

Cheque inserts

The Continuity of Life/Faites don de la vie

A bilingual brochure type insert describing the need for organs and tissues and how to become an organ donor. Also includes a detachable Organ Donor Card. (1984)

5010 **Make something Good Happen - Be an Organ Donor/Soyez généreux - faites don de vos organes**

A bilingual insert with a detachable Organ Donor Card and an address for further information. (1987)

Professionals

5005 **Organ and Tissue Donation Services in Hospitals**

This guideline outlines the process for organ and tissue donation and discusses administrative and resource considerations in establishing hospital services for these activities. This guideline is also part of the Institutional Program Guidelines. (1986)

Sera bientôt disponible en français sous le titre "Service hospitaliers de dons d'organes et de tissus" -- 5006.

Organ and Tissue Donation and Transplantation - An Inventory of Education Resources

The Inventory of Education Resources is the first national inventory of education resources related to organ and tissue donation and transplantation. It is intended as an aid to those involved in heightening the awareness of the public and health professionals about organ and tissue donation and transplantation. (1987)

Également disponible en français sous le titre "Dons et greffes d'organes et de tissus - Répertoire du matériel éducatif".

5106 **Ways and Means to Enhance Organ and Tissue Procurement and Exchange in Canada**

This national workshop was held in response to a growing public concern about the medical need for human organs and tissues for transplant. Recommendations for increasing the supply of donor organs and tissues are categorized under the headings: Interagency Cooperation; Education; Hospital Policies/Protocols and Public Policies: Provincial and Federal level. (1984)

Également disponible en français sous le titre "Les façons de favoriser l'obtention et l'échange d'organes et de tissues humains au Canada" -- 5107.

PERIODIC HEALTH EXAMINATION

Professionals

The Periodic Health Examination 1979, 1984 and 1985

A report of the Periodic Health Examination Task Force.

Également disponible en français sous le titre "L'examen médical périodique 1979, 1984 et 1985".

Priced Publications

1428 **Periodic Health Examination (monograph)**

The Candian Task Force of the Periodic Health Examination was established to determine how the periodic health examination might enhance or protect the health of the population. The main challenge was to recommend a plan for a lifetime program for all persons living in Canada.

Please direct your request along with a cheque or money order, payable to "The Receiver General for Canada" to:

Canadian Government Publishing Centre
Ottawa, Canada K1A 0S9

Costs: $18.50 in Canada
$22.20 in other countries

Également disponible en français sous le titre "L'examen médical périodique" -- 5979.

PHYSIOTHERAPY

Professionals

5608 **Towards Assessment of Quality of Care in Physiotherapy - Volume 1/Vers une évaluation de la qualité des soins en physiothérapie - Volume 1**

Guidelines from which policies and standards may be developed. (1979)

5623 **Towards Assessment of Quality of Care in Physiotherapy - Volume 2**

Instruments to measure health status of patients receiving physiotherapy. (1981)

Également disponible en français sous le titre "Vers une évaluation de la qualité des soins en physiothérapie - Volume 2" -- 5624.

PREVENTIVE PROGRAMS AND SERVICES

Professionals

Final Report to the Minister of National Health and Welfare on the Five Regional Symposia on the Prevention of Mental Retardation in Canada

Synthesizes findings of five symposia coordinated by the National Prevention Committee of the Canadian Association for the Mentally Retarded and five regional planning task forces. The five symposia generated recommendations regarding priority areas for action to prevent mental retardation. (1982)

Également disponible en français sous le titre "Rapport final au ministre de la santé nationale et du bien-être social. Objet : cinq symposiums régionaux sur la prévention de la déficience mentale au Canada".

5159 **Prevention now: A Concept and a Practice**

This publication provides guidance, offers examples and lists resources for professional and lay persons involved or interested in the prevention of mental and emotional problems among children.

Également disponible en français sous le titre "Prévenir maintenant : théorie et pratique"--5160.

PROGRAMS - GRANTS AND CONTRIBUTIONS

REHABILITATION

Professionals

5636 **Rehabilitation Teams: Action and Interaction**

The chief purpose of this report is to improve quality of health care by promoting awareness about the expertise of various rehabilitation professions on health teams. (1983)

Également disponible en français sous le titre "Équipes de réadaptation : action et interaction" -- 5640.

SEXUALITY

General Public

6425 **Like it is**

This booklet is intended to answer the common questions of adolescents concerning their sexuality (revised 1983). It was written by Norma J. Pickering and Edward E. Johnston

Également disponible en français sous le titre "Sans détour -- 6453".

TOBACCO

General Public

4677 **Thank you for Not Smoking/Merci de ne pas fumer**

8 " x 11" bilingual poster

4785 **Let's Talk About ... Smoking/Propos sur le tabac**

This pamphlet describes the advantages of breaking free from the smoking habit. (1983)

4668 **You the (Hurrah) Ex-Smoker and Food**

Deals with weight gain after giving up smoking. (1974)

Également disponible en français sous le titre "L'alimentation de l'ex-fumeur" -- 4669.

Professionals

4734 **Directional paper for the National Program to Reduce Tobacco Use in Canada**

The purpose of this document is to review current important trends and issues and to provide comprehensive coherent framework for the National Program to Reduce Tobacco Use. This includes overall goals, long and short term objectives, and a set of strategic directions which must be pursued. (1987)

Également disponible en français sous le titre "Document d'orientation du Programme national de lutte contre la tabagisme au Canada" -- 4735.

Smoke in the Workplace

A survey of Health and Welfare employees conducted in the National Capital Region in order to obtain employee opinion regarding the issue of smoke in the workplace. (1986)

Également disponible en français sous le titre "L'usage du tabac en milieu de travail".

4375 **Smoking Behaviour of Canadians 1983**

A survey which examines smoking prevalence by province, region, sex, age, education and occupation.

Également disponible en français sous le titre "L'usage du tabac au Canada 1983".

WOMEN'S HEALTH

General Public

6460 **It's Just Your Nerves (Promotional Brochure)**

This brochure describes the contents and possible uses of an educational resource with the same title that deals with women's use of minor tranquillizers and alcohol. The resource includes a guidebook and flipchart which are designed for use in small group discussions and are available for loan in many communities across Canada. (1981)

Également disponible en français sous le titre "C'est pas grave, c'est rien que vos nerfs" -- 6462.

4797 **Women and Alcohol**

This booklet produced to compliment the "It's Just Your Nerves" program, encourages the examination of factors that contribute to alcoholism among women, assists in identifying an alcohol problem and suggests types of treatment available. (1983)

Également disponible en français sous le titre "Les femmes et l'alcool" -- 4798.

Professionals

6431 **Depending on Ourselves - Proceedings of the National Consultation on Women and Drugs**

This document contains the highlights of a 3 day consultation on women and their use of alcohol, minor tranquillizers, antidepressants and tobacco. It reproduces all the major speeches and panel discussions, summarizes the workshops and includes a comprehensive list of resources. The focus of the Consultation was on prevention and education in the area of women and drugs with emphasis on the exchange of information and experiences between professionals and volunteers from all across Canada. A participant list is included. (1987)

Également disponible en français sous le titre "Il n'en tient qu'à nous - Actes du colloque national sur les femmes et la toxicomanie" -- 6432.

4715 **The Effects of Tranquillization: Benzodiazepine Use in Canada**

A booklet produced for those who provide health care and allied health services. It provides information on tranquillizers, including the extent of their use, the situations in which prescribing is or is not appropriate and problems associated with use. It also encourages examination of the factors which affect use, such as the structure of the health care system, physician/patient relationships and alternative sources of help that are available. (1982)

Également disponible en français sous le titre "Les effets de l'usage de tranquillisants : l'usage des benzodiazépines au Canada" -- 4716.
